At our restaurant, we take the time to slowly steam-grill our okonomiyaki and negiyaki to maximize the flavors of the ingredients. This process enhances the texture of the cabbage and green onions, so we kindly ask for your patience as we prepare your dish.

## A Local Specialty of Osaka: "Tonpei-yaki"

The history of Tonpei-yaki goes back about 60 years, originating in Osaka. The name comes from the concept of "flattening pork and grilling it." Seijuro's Tonpei-yaki features a smooth, rich egg, premium Nichinan Mochi Pork, and crispy tempura flakes for an extra crunch.
